The
UMEC
Way

Passion.
Innovation.
Commitment.

PROVIDING SOLUTIONS • EXCEEDING EXPECTATIONS • IMPROVING OUR COMMUNITY

The UMEC Way

Safety is number one.

We're all responsible for ensuring that our employees return home safely to their families.

WOW the client; earn the fee.

When our clients work with us, they get service that is beyond the ordinary.

Productivity &
QUALITY
are the keys.

Doing the job to our clients' complete satisfaction enables repeat business and ensures continued growth.

Teamwork backed by performance & commitment.

When we all work together, we all win together.

Superior
knowledge & technical expertise.

They're the foundation
of our solutions.

Anticipate...**solve.**

Our diverse and extensive experience helps us anticipate issues early and respond effectively.

Be a *HERO*,
not a victim.

“Yell” for help
when you need it.

Always
take the
high road.

Make ethical choices that satisfy everyone's long-term interests.

It's all about valued **relationships.**

Respect and nurture business relationships. They support our clients, create jobs, and help our business grow.

Collective **performance:**

Our best
sales tool.

When we perform to our highest standards, we satisfy our clients' most demanding expectations.
